

Michigan Electrical Employees' Pension Fund

Temporary Return to Work Notification

Yes, I want to take advantage of the *temporary* Return to Work Amendment. I plan to return to work on

(Date)

I understand that once I have worked for 1,000 hours in covered employment for a contributing employer under this program, I will no longer be able to take advantage of this amendment and the normal rules (permitting work in the electrical industry for less than forty (40) hours per month without a suspension of benefits) will apply. The term of this temporary amendment is from January 1, 2023 through December 31, 2023. I certify that since my pension effective date there has been at least one full calendar month in which I performed no work (zero hours) in covered employment prior to my return to work.

I also understand that if I return to work in covered employment during the term of the temporary amendment and I do not return this notification form that I will not be eligible to take advantage of the temporary amendment and the normal rules (permitting work in the electrical industry for less than forty (40) hours per month without a suspension of benefits) will apply.
