

MICHIGAN ELECTRICAL EMPLOYEES' HEALTH PLAN

March 2019

TO: All Michigan Electrical Employees Health Plan Participants

RE: Mobile Application for the Fund's Debit Card Program

Dear Participant:

You can now download and use the TIC International/ WexHealth mobile application for your Special Fund Debit Card. You can use the mobile app to file claims, view your account balance, upload claims substantiation, etc. wherever you are. Enclosed you will find more information on the mobile app.

Below are the three steps to go mobile:

1. **Download** - Search for TIC International Benefits in your mobile device's app store and download the free app titled TIC International Benefits.
2. **First Login** - For security purposes you must log in to the Member Portal at least once before logging into the Mobile App for the first time. Use your same username and password to log in to the mobile app.
3. **Future Login** – The mobile app will ask you to assign a passcode, which you'll use to sign in after that unless you change your Member portal password. Then you will need to sign in using your Member Portal username and password.

If you have any questions regarding the above, please do not hesitate to contact the Fund Office at the address or phone number listed below.

Sincerely,

Michigan Electrical Employees
Health Plan
Board of Trustees
