TO: ALL PARTICIPANTS OF THE MICHIGAN ELECTRICAL EMPLOYEES' HEALTH PLAN
RE: SECURE DOCUMENT UPLOAD THROUGH THE PLAN'S CUSTOMIZED WEBSITE

Dear Participants:

The Trustees of the Michigan Electrical Employees' Health Plan are pleased to announce that you may now submit documents through the Plan's secure website.

As you know, you can access your fringe benefit fund information via the internet by visiting the customized website at www.mielectricalhealth.org, where you can view and print communications, forms and obtain other useful information. You may continue to obtain paper copies of all plan documents from the Fund Office.

In cooperation with TIC International Corporation, the Plan Administrative Manager, you may also view your personal account information via a secured Benefit Inquiry Site (BIS). The BIS will allow you to verify that the Plan has accurate personal information about you and your family. In addition, you can check the Plan's records for up-to-date information regarding your employer contributions made in your behalf.

Once you are in the customized website, select Current Benefit Status under Health Care. You will be directed to the TIC International Corporation Benefit Inquiry Site. You will need to sign in using your own ID and Password. We have included an explanation of how to create your BIS account on the reverse side of this document, if you have not already done so.

Should you have any questions related to website access, please contact Greg Smith (517-327-2148) or Jamie Kline (517-327-2149) in the Fund Office. However, for questions related to your benefits, please contact the Fund Office, toll-free, at 855-633-4584 and ask to speak with the Medical Claims Department.

SECURE DOCUMENT UPLOADS PROCEDURE:

- Begin at the Fund's customized website, www.mielectricalhealth.org, click on Health Care, then Current Benefit Status.
- Once you arrive at the Benefit Inquiry Site login screen, enter your ID and Password. (See the reverse side of this document for instructions on how to create an account if you do not yet have one.)
- When you arrive at the Employee Menu, click on Secure Document Uploads to launch that screen.
- Open the pick list for Department and choose the appropriate destination (i.e. Health or Pension)
- Feel free to type Subject and Message information you wish to convey to the claims examiner reviewing your documents.
- **We recommend scanning your documents in PDF (Adobe Acrobat) format, using Black & White "quality", to keep your file size to a minimum. When scanning in PDF, most scanners also allow you to create multi-page documents so you would only need to upload one file containing all of your scanned pages.**
- **Be sure to preview your scans using your computer or mobile device. If they are clear and legible to you, they will be clear and legible to our claims examiners.**
- Note in the screenshot to the right that we have provided five "Attached File" upload slots. Click Browse, navigate to the file you wish to send and queue the file for transmission. Repeat this process for as many files as you wish to send.
- If you enter your email address before sending your file(s), our system will send you a confirmation code confirming that your files were delivered.
- Click Upload Files to complete the process.

File delivery time is typically 5 to 10 minutes, depending on the size.
